Attention: STAT Assistant to the Director STAT Dear I note in your letter of April 30th you state that as my suggestions concerned changes in the economy of the United States, they fall outside the responsibilities of this agency. Inasmuch as your agency must be very much interested in promoting the prosperity of the economy of the United States, won't you turn over my correspondence to the attention of the Council of Economic Advisers? I am sure that if you do this, it will be given more consideration than if I wrote them direct. Kindly let me hear from you. Sincerely, Economic Engineer JL:de DOSHMENT RG.
